

# ALEXEY ZYABLOV

## RESUME

---

### PERSONAL SUMMARY

I am a dynamic and optimistic individual, adaptable to various situations, with excellent creative and technical skills. Highly organized, I possess strong problem-solving capabilities and am goal-oriented, making me an effective team player.

Creativity is my forte, coupled with a preference for logic and rationality, while also appreciating beauty and art. Forward-thinking, I prioritize tasks by focusing on finding optimal solutions, always considering the interests of the team.

I completed a 5-year program in Architectural Design and Constructions and have accumulated over 14 years of experience working as an Architect, 3D Specialist, and CAD Expert. Throughout my career, I have collaborated with clients from diverse countries, including the USA, UK, Japan, Australia, Russia, and many others. My commitment to responsibility and reliability has allowed me to build an excellent reputation in the global market.

Additionally, I have been self-studying Full Stack Web Development since 2015, primarily focusing on Python, Django, JS, HTML5, and CSS3. I am also familiar with React and have a keen interest in learning Three.js in the future.

Finally, since I have a fusion of programming and art skills, I started studying Game Development with Unreal Engine 5 in the year 2021 and can already develop some full-fledged, good 3D games.

---

### WORK EXPERIENCE

#### FREELANCER | 3D ARTIST | ARCHITECT | GAME DEVELOPER 2009 - PRESENT

##### SUMMARY:

You can view my current freelance page here: [freelancer.com/u/Designinginc](https://freelancer.com/u/Designinginc). There, you can find my exceptional reviews from different clients with whom I have worked.

##### MY DUTES:

- Architectural Development;
- CAD Drawing;
- 3D Modeling and Visualization;
- Unreal Engine Development;
- Character Design;
- Negotiation.

##### DESCRIPTION:

I work remotely online for people who find me on Freelancer.com platform. I have received only positive 5-star reviews; all of my clients have always been satisfied with my work. I do different work there including 3D Art, Architectural Development, Game Development, Interior Design, and Character Design.

#### FOUNDER OF NAIUMA.COM | ARCHITECT | 3D ARTIST 2016 - PRESENT

##### SUMMARY:

Naiuma.com is an online Architectural Studio based in Kazakhstan founded by me.

##### MY DUTES:

- Architectural Development;
- Furniture Design;
- Appliances Design;
- 3D Modeling and Visualization;
- Web Design;
- Web Development;
- Logo Development;
- Brand Development.

##### DESCRIPTION:

I independently developed Naiuma.com, handling every aspect of its creation. I produced all the works showcased in the portfolio using 3Ds MAX, Octane, and Corona renderer. For the website itself, I utilized Django, Python, HTML5, CSS3, JS, and MySQL. The logo was crafted using Adobe Illustrator, and the entire brand was designed with Photoshop. Despite these efforts, the site is yet to be indexed on Google Search, preventing it from attracting potential clients.

### AREAS OF EXPERTISE

Architecture + Interior Design  
Constructions  
3D Graphics  
CAD and BIM  
Web Development  
Game Development

### PERSONAL SKILLS

Creativity  
Leadership  
Teamworking  
Generation of new ideas  
Good analytical skills  
Problem Solving  
Sketching

### DESIGN COMPUTER SKILLS

3Ds MAX, Blender,  
Octane, Corona, Vray renderers  
Substance Painter  
Zbrush  
Photoshop  
Illustrator  
Marvelous Designer  
After Effects  
MidJourney

### ARCHITECTURAL COMPUTER SKILLS

Rhino + Grasshopper  
Revit  
ArchiCAD  
AutoCAD

### PROGRAMMING COMPUTER SKILLS

Python + Django  
JS + React  
HTML5 + CSS3  
MySQL + MongoDB  
C++ and Arduino  
AWS

### GAME DEVELOPMENT COMPUTER SKILLS

Unreal Engine 5

## FOUNDER OF DESIGNELING.COM | 3D ARTIST | ART DIRECTOR 2018 - PRESENT

### SUMMARY:

Designeling.com is an online Digital Design Studio based in Kazakhstan, created by me. It offers different services such as 3D Art or Visualization, Character Design, Web Development, Product Design, 3D Animation, Game Development and others.

### MY DUTES:

- Architectural 3D Visualization;
- Character Design;
- Web Development;
- Product Design;
- Unreal Engine Development;
- 3D Animation.

### DESCRIPTION:

Similar to Naiuma.com, it is well-constructed but remains unindexed on Google Search. Nevertheless, it features a distinct website, a unique portfolio, and offers additional services, with a greater emphasis on digital design over architectural development.

For instance, the portfolio showcases product design images, architectural visualization, 3D characters, 3D animations, interior visualization, and more. I created everything using Blender, 3Ds MAX, Octane, and Corona Renders, along with Photoshop.

Additionally, I constructed the website using Django, Python, HTML5, CSS3, JS, and MySQL, ensuring a comprehensive and personalized digital presence.

## FOUNDER AND SMM 2020 - PRESENT

### SUMMARY:

I have created and currently manage several Instagram accounts. They include: @about.web.dev, @naiuma.inc, and @designeling.inc.

### MY DUTES:

- Creating reels;
- Managing the accounts.

### DESCRIPTION:

I create different reels for all listed accounts using 3ds Max, Octane Render, After Effects, a video camera, Adobe Audition for sound recording, and Veed.io for subtitle creation. Then I upload them to the web and sometimes set up advertisements.

## ACADEMIC QUALIFICATIONS

### BACHELOR'S IN ARCHITECTURE, KAZAKHSTAN 2007-2011

Architecture Faculty of Civil Engineering Department of Architecture and Design

During my educational process, I focused primarily on art, design, sketching, painting, architectural design, constructions, and architectural planning. This education has given me a good sense of style, a foundation in architectural development, and strong sketching skills.

### COURSES OF PAINTING, KAZAKHSTAN 2006

I studied Art, Sketching, and Painting at this Art School. It has given me knowledge of light, color, and composition.

### COURSES OF DIGITAL DESIGN, KAZAKHSTAN 2005

I studied Photoshop and Illustrator there.

### COURSES OF PROGRAMMING, KAZAKHSTAN 2005

In these courses I studied some non-modern languages. More importantly, I practiced concepts such as loops, if-else statements, and other fundamental programming principles.

Male  
33 Years old

## ADDITIONAL DETAILS

I currently reside in Kazakhstan and would like to relocate abroad. To make this move possible, I would need to get a work visa. If feasible, I am open to the possibility of receiving visa sponsorship from your company. Alternatively, I can work remotely for you. That is a good way for me as well.
